Each dish and its ingredients have been put together with intentionality and call back to our memories of eating and cultural origins. For this reason, we do not personalise or deconstruct our dishes. To elevate your meal, we have included a list of suggested add-ons underneath each dish description. If you have allergies, we invite you to reference the allergen list so that you can find a dish that is suitable to your dietary needs. We hope you enjoy your dining experience with us at Love Deluxe.
